

Ocean View College

Ocean View College is a newly established school situated on the beachfront of metropolitan Adelaide. The college, location and setting make it ideal for water sports (sailing and aquatics) and the study of marine environments with the Port Estuary dolphins only five minutes away. The school is only 30 minutes by public transport from the city centre and 10 minutes from major shopping centres. Students enjoy the all the amenities of the city while enjoying the relaxed lifestyle of living in a beachside community.
